Environment Agency Cross Compliance Inspection

Dear Mr Bloggs

Cross Compliance Farm Visit

We would like to visit Hurstley Court Farm on the 24th June at 12:00 to carry out a Cross Compliance visit to inspect your compliance against the following regulations:

- the Nitrate Pollution Prevention Regulations 2008
- the Environmental Permitting (England and Wales) Regulations 2007
- the Sludge (Use in Agriculture) Regulations 1989
- the Water Resources (Silage, Slurry, and Agricultural Fuel Oil) Regulations 2010

During the inspection we will need to look at your records, discuss activities and visit parts of your farm. If applicable please ensure the following records are available at the time of the visit:

NVZ Requirements:

Your organic manure spreading risk maps of the farmed area (showing water features, field heaps etc)

- Your fertiliser plan
- Field records (cropping, fertiliser / manure application rates and dates)
- Livestock records including periods on the farm
- Slurry/manure storage capacity details and how they are calculated
